MYSORE FOREST DEPARTMENT.

No. M. 120-640/45-46
Encl. Letter 3 copies

OFFICE OF THE CHIEF CONSERVATOR OF FORESTS IN MYSORE.

Bangalore, dated 6/12/ 1945.

FROM

The Chief Conservator of Forests in Mysore, Bangalore.

8 DEC. 1945

To

The Secretary to the
Government of Mysore,
General Department, Bangalore.

Sir,

Re:- Khedda Operations of 1945-46.

I have the honour to state that the District Forest Officer, Mysore Division, has proposed under instructions of the Minister for Revenue, to conduct another khedda at Budipadaga, Chamarajanagar Taluk, where, in spite of three khedda operations conducted during the past 2½ years, havoc by wild elephants has not ceased.

The Khedda operations are proposed to be staged during the early part of January 1946 and the staff required for the same will have to be detailed on this special work for about 1½ to 2 months with immediate effect. As on the previous occasions, I am instructing the District Forest Officer to depute the necessary staff and start preliminary works immediately.

An estimate for Rs. 12,000/- in respect of this khedda received from the District Forest Officer is enclosed. Although this estimate exceeds the actual expenditure of a little over 7,000/- incurred on the last khedda of June 1945 it is within the amount spent on the Khedda operations conducted in last January which exceeded Rs. 13,000/- The stockades were constructed over two years ago and they have to be either rebuilt or strengthened to avoid risks and this accounts for the anticipated increase in expenditure. I request therefore, that the accompanying estimate may be kindly sanctioned by Government and their orders communicated to me early.

As in the previous Kheddas enhanced rates of daily allowance will have to be allowed to the Officers and subordinates deputed for

for khedda duty. I recommend, therefore, that D.A. at the enhanced rate of 1½ times the existing revised rates sanctioned in respect of the Khedda of January 1945 in C.O. No.AF. 3614-15/Ft. 53-44-4 dated 9-2-1945 may be kindly sanctioned in respect of the present khedda too. The countersigning Officers may kindly be empowered, as in the past to sanction halts made by officers and subordinates for more than 10 days.

The District Forest Officer considers that it will be ~~un~~necessary to grant advance of Travelling Allowance to such of the staff as are in need of the ~~same~~ Same. He may be authorized to sanction such advances up to 75% of the anticipated Travelling Allowance to subordinates drawing a pay of Rs.50/- and below. The advance so granted will be adjusted when the Travelling Allowance claims of the subordinates are settled. I request that orders of Government on these recommendations may also be kindly obtained and communicated to me early.

I have the honour to be,
Sir,
Your most obedient servant,

Chief Conservator of Forests.
